

FACILIPRO™

ECOLAB®

Solving Your Toughest Laundry Challenges

Our FaciliPro Laundry Detergent Plus is easy-to-use and designed to tackle your toughest stains, leaving linens clean, white, soft and fresh.

- ▲ **Hard-working** liquid built detergent that effectively breaks up and removes oily soils and cosmetic stains.
- ▲ Streamline your laundry process by **reducing the need to rewash**, saving time and labor costs.
- ▲ Linens are fresh, clean and white for a **lasting first impression** for your guest.
- ▲ Dye and fragrance-free.

Laundry Detergent Plus

is a powerful liquid build detergent with alkaline designed to break up and remove tough stains and boost performance especially against cosmetic stains, oily soils and common odors. It works on synthetic fabrics or blends in all water conditions and temperatures. Dye and fragrance-free.

DIRECTIONS:

Consult your Ecolab Representative for specific use directions.
