

Lemon Lift™

Heavy-duty Cleaner & Destainer

Applications:

- *Tile & nonporous surfaces*
- *Bathtubs & vinyl mats*
- *Shower stalls & curtains*
- *Sinks & countertops*

CONTAINS BLEACH: Avoid contact with clothes, fabric, carpeting, wood, aluminum and painted surfaces. **Do not mix with acid cleaner or ammonia – will cause hazardous vapors.**

Consult your Ecolab Specialist for specific use directions. For service and additional information 24 hours a day, seven days a week, call: **1-800-35-CLEAN (352-5326).**

SAFETY REMINDER: Before using this or any other product, make sure your employees read and understand the product label and Material Safety Data Sheet—both contain appropriate hazard warnings and first aid instructions.

- **Removes Stubborn Stains**
Specially formulated with chlorine bleach to remove even the toughest stains: mildew, tea, coffee, juice.
- **One-Step Cleaner/Destainer**
Strong surfactants power off soap scum while bleach attacks stains. Two jobs in one step!
- **Thick, Clinging Foam**
Product stays on the surface longer, providing better cleaning action – less scrubbing.
- **Fresh Lemon Fragrance**
Its light, lemon fragrance provides a clean, fresh-smelling environment for your customers and makes **Lemon Lift** pleasant to use.
