### The Clean Dose Specialty Beverage Cleaner Tablet

is part of the **Clean Dose Program**: an effective, easy-to-use tablet cleaning program available in a variety of applications to cover all your everyday cleaning needs.

1. Reduction in plastic waste is an approximation assuming use of one case of product per month over 12 months, compared with the equivalent use of Ecolab liquid products, which is enabled by the smaller, lighter package size for solid tablets.

# ECOLAB®

A complete, innovative program that delivers a professional-grade clean for your customers and a clear, uncomplicated routine for your staff.
